GRADE DESCRIPTORS and PROCEDURES

- The academic school year is divided into two assessment terms: Term - 1 and Term - 2
- *Formative Assessment:* This reflects the progress attained by the student in all assessments taken in a subject over the term.
- *Summative Assessment:* This reflects the mastery of the content and skills taught throughout the term.
- *Academic Achievement:* A cumulative of Formative Assessments and Summative Assessment scores indicate the academic achievement for the student.
- *Grades:* These reflect a student's academic performance. They provide an overview of the child's overall progress and achievement across subjects.
