ACADEMIC HEAD

In ABODE we would want the children to embrace both their strengths and their challenges. Our elementary child's journey is highly enriched by reading, writing and scientific inquiry-based programs. In the Elementary program, each child is encouraged to evolve into a confident and curious self with a help of our "Strong Minds and Happy Souls" philosophy. The report card reflects the child's academic and social growth over the year. Mastery of a topic or a subject comes with the child's consistent effort, and by renewing their focus and internalizing the feedback provided.

GENERAL PROFILE

Kabir is a curious and attentive child. He listens to and follows directions precisely. Kabir is considerate when interacting with his teachers and his peers. It was a pleasure to work with him.
