Dear Sir:

Greetings!

With reference to the above email subject, we came to home to attend a family function (11/01/2026), during this my wife while walking down from on a ramp she got slipped and got her left ankle twist and found swelling and pain. In this situation I would like to take her to an orthopedic doctor in Vizianagarm town, request your approval for this outstation treatment.

Thank you and regards,
K Siva Shankar
