**Homeroom Teacher Comment** **Teacher Name: Deepthi Poornima annavarapu & MADHULIKA PADALA**

Apoorva is a self-motivated child. She participates in all the activities with zeal and enthusiasm. She is an active listener and speaker and follows instructions well. Apoorva demonstrates excellent observation skills, it is very impressive to see the perseverance she shows and the effort she puts in her everyday class work. She has good reading skills with good fluency. Her ideas and information during the verbal sessions is always an asset to the class and places her at a high ability group. She demonstrates a good insight and understanding of all subjects. In English, she was capable of coming up with a creative story "The Cat and the Rat" for the unit - "Stories with Familiar Theme". She thoroughly enjoyed the hand-on activities that were conducted in math as a part of the Units- "Number system" and "Addition". In science, she spoke well with facts and presented her drawing for the Talk show "All about animals" conducted as a part of the Unit - "Living Things and Their Environment". In Telugu, she remains focused on the task at hand and completes her work within the stipulated time. She is able to write letters (a to na) faultlessly; however needs practice for letters (a,ou) as separate vowels. Regular practice of the same will help her in recognizing the letters easily. It is impressive to see her say the words for the letters spontaneously. She is an active participant during QCT sessions. She likes sharing her thoughts and ideas during group interaction. She enjoys all her activity classes. It is a pleasure to have her in our class. We wish Apoorva to continue with her good work.

**Homeroom Teacher Comment**

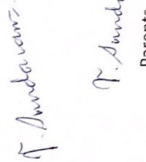

**Teacher Name: Deepthi Poornima annawarapu & MADHULIKA PADALA**

Apoorva has done an exemplary this term and has worked very hard. She takes transitions easily between class activities without distraction and remains focused with energy and enthusiasm. She enjoys conversations with friends during group interactions. She has incredible self-discipline and always gets her work done in a timely manner and generates neat as well as careful work. She expresses ideas clearly which enhances the group discussions confidently. She has a well-developed vocabulary and provides background knowledge about topics discussed in class. Apoorva displays a great deal of enthusiasm for the class activities and has acquired matured comprehending skills which is evident through spontaneous answering. It is impressive to know when Apoorva talks about books which she reads which are above grade level. She is able to read and follow any form of text with increasing fluency, expression and understanding. In English, Apoorva is able to respond to question words when reading and uses them in her creative writing for Poems and Information text. She was able to use her imaginary skills that were commendable to structure her own poem into stanzas which is appreciable. In Math, Apoorva has excellent numerical skills and thoroughly enjoyed the Units: "Multiplication and Division and Money" through hands on activities and was able to comprehend story sums very quickly. She has good understanding about usage of foot span, handspan, cubit and pace which are non-standard units of measurements. In science, Apoorva participated in all the group activities with enthusiasm conducted during the learning of the topics "Electricity and Push and Pulls"; and spoke extremely well for all the questions and answer sessions. In Telugu, Apoorva is good at reading and writing. She responds well during activities and takes initiative to share the answers which is well appreciated. Her performance in spell checks are consistently good. Her letter identification skills are very accurate and she completes her work on time. As in academics, she puts in her best across all activity classes be it, Craft, Music, PE, Dance etc. You have worked incredibly hard. Good luck Apoorva! We are proud of you.
