Query regarding reimbursement for medical purposes

7 messages

Chetankumar Jalihal <chetankumar.jalihal@cc.iith.ac.in>

Tue, Jun 2, 2026 at 5:49 PM

To: "Hos, HR IIT Hyderabad" <hos.hr@iith.ac.in>

Dear Hos HR,

I am Chetankumar Jalihal, Assistant Professor in the department of climate change.

I am writing to you with a query regarding reimbursement of a medical test.

Last year the doctor at the institute hospital, had recommended a test to be done at a later time (several months later usually 6 months or more). The recommendation has been entered in my medical book. Since the test is not available at the institute it was suggested that I visit the continental hospital in Hyderabad.

I stay in Sangareddy and it has not been convenient to visit the hospital.

Currently, I am in Bangalore for work purposes and there are several hospitals near my place of stay. Is it ok if I get the test done here? Does it have to be the continental hospital or is it ok if I visit another hospital?

Are approvals from HR or other concerned sections necessary for the reimbursement?

If the HR section is not the concerned section, then please let me know which section I should be contacting.

Thank you in advance.

Regards,

Chetankumar Jalihal,

Assistant Professor,

Department of Climate Change,

IIT Hyderabad, Kandi,

Telangana 502285

Dear Dr Chetan Kumar,

Reimbursement of medical expenses is dealt with by the F&A section. The HoS(F&A) is being cced here. You may like to contact them for clarification of doubts in this matter.

Thanks & Regards

Dear Sir,

This is to inform that the tests can be done anywhere in India and the bills can be submitted for the reimbursement.

For future reference, please note that after taking our IITH Doctor referral the employee/dependent can go for the outPatient or inpatient treatment within Hyderabad and Sangareddy region. If the patient wants to get the treatment in

an outstation (i.e., outside of Hyderabad) then he/she has to take prior 'FIC Hospital' approval in addition to IITH Doctor referral. In any case our IITH Doctor referral is valid for 30 days. Beyond the 30 days period the employee has to take a fresh referral.

The advised "Diagnostic tests" and "purchase of medicines" can be done anywhere in India.

Please let us know if any further information is required.

Thanks and Regards
Pradeep Babu

Dear sir,

Thank you very much for the information.
So, in this case I cannot claim the reimbursement.

Regards,
Chetankumar Jalihal
