BOMIS Vision

Our vision is to provide a happy, caring and stimulating environment where children and teachers will recognize and achieve their fullest potential, so that they can make their best contribution to society.

BOMIS Mission

The school strives to be a community of learners in which all members use their minds well and care about one another. We engage in challenging scholastics and co-scholastics to encourage pushing the boundaries and respect individual differences allowing different learning styles to maximize their potential.
