To: J Balasubramaniam <jbala@math.iith.ac.in>

Dear sir,

Thanks for your mail.

Her Vit D levels are low. Starting on Syp Arachitol 5ml once in 15 days like this she has to be given 5 doses. Along with above syrup to take Syp.Calcimax P 5ml once daily to continue till she is on Syp.Arachitol.

Iron rich diet is mandatory as her blood indices are borderline.

Thanks and Regards,
Dr.Sonia

Dear Dr. Sonia,
Good morning !

You may remember that I visited you on Tuesday to discuss about my daughter Ms. Medhya (3.5 yrs of age). Her nail on the big toe had splintered. You had prescribed Syp. Zincovit and also advised us to perform a Vit D3 test.

PFA the test report. May I request you to advice us on what should be our next steps?

Unfortunately, today and tomorrow I am stuck in a series of talks at the department and so I am not able to meet you personally, even though I see that you are available during the day time on both the days.

I am very sorry about not meeting you personally to discuss.

Please can you advise?

Thanks in advance.

With regards,
Balasubramaniam.
