Dear Sir/Madam

My mother Mrs. D. Pochamma is suffering from severe knee pain for the last three years. Earlier we have taken a referral from institute and consulted doctor Chakradhar Reddy, orthopedician at continental hospital. The doctor suggested to undergo for a surgery for both the knees. Since the earlier letter validity is over, I request you to give a fresh letter so that we can proceed with the further medication.

Thanks and regards
G. Ramesh
Faculty ID F073.
