DESIGN PROJECTS

• **PhD IN DESIGN**

‘Visual Rhetoric of the Title Design in Bollywood Movie posters’

Completed under the supervision of Dr. D. Udaya Kumar at the Department of Design, IIT Guwahati, this research examines the visual attributes of Bollywood Movie Titles and discuss their role in the overall meaning creation. By implementing a semiotic approach and content analysis, study reveals that significant visual characteristics of letterforms are used to design influential movie titles. **In so doing, study builds a body of knowledge and provides a range of visual tips as an insight information to designers or lettering artists for producing more persuasive typography/lettering.**

• **MASTER THESIS PROJECT**

‘Lettering in Bollywood Film posters’

This project was focused on lettering part in the film poster and enquired about its dominance and role in making film posters more effective and persuasive. Under the supervision of Dr. D. Udaya Kumar, this study also examine the trend if any followed throughout the decade in terms of title design in film posters.
